West Kaua'i Community Plan Discussion Draft Available online for public review; Open House events to commence on Sept. 5, 2019

The County of Kaua'i Planning Department has released a "Discussion Draft" of the West Kaua'i Community Plan for public review and comment. The West Kaua'i Community Plan updates the previous Hanapēpē- 'Ele'ele Development Plan (1974) and the Waimea- Kekaha Development Plan (1978) to provide guidance on land use and investment priorities for the Westside. The "Discussion Draft" was informed by a participatory process including multiple outreach events, such as design workshops, open house events, and small group meetings. The Discussion Draft comment period closes on Monday, Oct. 7, 2019.

Comments may be submitted at upcoming open house events or online at www.westkauaiplan.org, where the draft is available for download. Emailed comments may be submitted to plankauai@kauai.gov. An online "Story Map" that summarizes the draft plan is available online at www.westkauaiplan.org.
